

## Ballet IV & V Dance Fusion Group

Tuesdays 5:00-7:15pm

**Your dancer has been invited to attend the Ballet Levels IV or V.** This class level is available on Wednesdays from 5:00-6:00pm as a combined level IV/V and available on Tuesdays from 5:00-6:00pm as separate classes. The Tuesday night option is a regular ballet classes for one hour followed by a 30-minute dinner break from 6:00-6:30pm (unless they take Hip Hop II/III during that time).

After dinner they are encouraged to take **DANCE FUSION** from 6:30-7:15pm. Only dancers in ballet IV or V are invited to take dance fusion. Dance Fusion is a great class to familiarize your dancer with a variety of dance styles. Typically, this class does modern, jazz, character, and more. These dance styles are fun for this age and valuable for their overall dance education. They may also take these classes separately (such as Modern I/II, Musical thtr, etc). The dinner break and dance fusion group, combined with the ballet class, gives this evening a nice social component that is so important at this age. It really bonds this group together. (You may take the Monday ballet & dance fusion if the Tuesday ballet time doesn't fit your schedule, if interested.) Dance fusion is optional.

**Parents will be asked to supervise** the dancers during the dinner break and we will have a sign up sheet the first week of classes. We ask parents to sit with the dancers and supervise at least twice during the school year. On the last Tuesday of the month (not August) we order pizza. The parent comes and collects \$3 from the dancers that want pizza at the beginning of the ballet class at 5:15pm. Then the parent picks up the pizza so it is ready at 6:15pm. All **students bring \$3 plus** their own drink for pizza night, if they choose to have pizza with the group. The office has suggestions of pizza places.

This is really a fun night and a fun opportunity for growth at this age. We hope your dancer will be encouraged to join us on Tuesday night (or Wednesday, if the Tuesday schedule doesn't work for you).

If you have any questions please feel free to email [info@villagedancestudio.com](mailto:info@villagedancestudio.com) or call us at 317-769-2223

Thanks!
