

**Ballet IV & V**  
**Tuesdays 5:15-6:15pm**

**Your dancer has been invited to attend the Ballet Levels IV or V on Tuesday nights.** These are regular ballet classes for one hour from 5:15-6:15pm followed by a 30 minute dinner break from 6:15-6:45pm (unless they take Hip Hop I/II during that time).

After dinner they are encouraged to take **DANCE FUSION** from 6:45-7:30pm. Dance Fusion is a great class to familiarize your dancer with a variety of dance styles. Typically, this class does modern, jazz, hip hop, character, and more. These dance styles are fun for this age and valuable for their overall dance education.

**Parents will be needed to supervise** the dancers during the dinner break. We will have a sign up sheet at registration and the first week of classes. You will be asked to sit with the dancers and supervise at least twice during the school year. If you are not able to come by and sign up we will assign you a week.

On the **LAST LESSON of the month** (not August) we order PIZZA. The parent comes and collects \$3 from the dancers that want pizza at the beginning of the ballet class at 5:30 pm. Then the parent picks up the pizza so it is ready at 6:30 p.m. All **students bring \$3 plus** their own drink for pizza night, if they choose to have pizza with the group. The office has suggestions of pizza places.
