Young Choreographer's Night Saturday, March 24th @ 7pm

Come support our dancers who have choreographed their very own dances. From picking and cutting the music, to choreographing each detail and choosing costumes, these dancers have worked hard to put together a fantastic show your whole family will enjoy. Dessert will be provided and judges will pick the top dances to be performed at the Showcase of Classes in May. (Dancers interested in showcasing their choreography need to fill out the choreography form on the website by March 15th.)

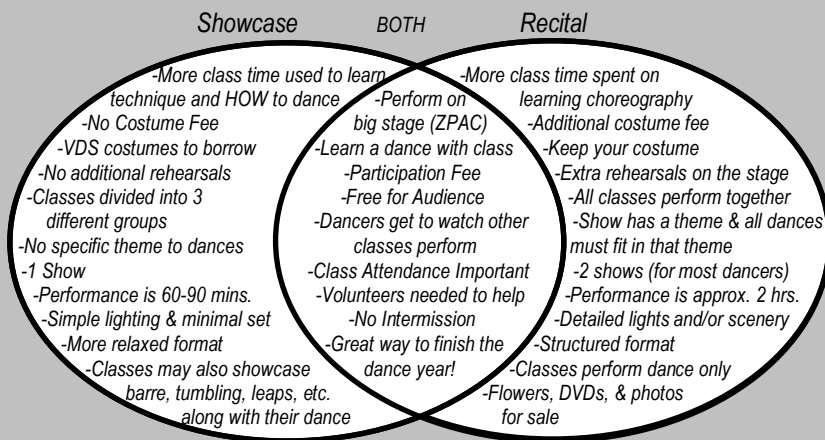

Tickets: \$5/person (presale- office); \$7/person (day of- onsite)

Showcase vs. Recital

Ever wonder why we only do a big recital every-other year?

Here are some of the differences and similarities for each type of performance:

The showcase is a great way to offer a performing opportunity that is a bit more relaxed and not as involved as the recital. This also then makes the recital years a bit more special & memorable. Together, these alternating performances support the mission of VDS and allow students to not only learn A dance, but also HOW to dance.

2018 Showcase of Classes: Saturday, May 19th

Senior Spotlight: Abby Gibson

Abby Gibson is a senior at Zionsville Community High School. She started dancing when she was 4 years old and has been with VDS for 14 years! She has been a phenomenal assistant for the past 4 years and a member of the VDS Ensemble for 2 years. Her favorite style of dance is Tap and she was featured in "Hooray for Hollywood" in the recital this past May. Her favorite part of dancing is being able to express yourself without words. Outside of dance Abby is involved in her church Youth Group at St. Alphonsus, works at the R.O.C.K., and enjoys competing in pageants. At ZCHS she is an active member of best buddies, a member of the Chamber Choir, and will be graduating with Academic Honors. While at ZCHS she was given the opportunity to travel to Peru with her Spanish group and really loved exploring Machu Picchu. She plans to go to Purdue or IUPUI next fall and study Animal Sciences/Biology in hopes of becoming a veterinarian. All VDS teachers would agree that Abby's open heart and kind personality will make her a wonderful veterinarian someday. Abby's advice for others is to "never give up and follow your dreams." We have loved having Abby at VDS for many years and can't wait to see all she accomplishes in the future!
