Village Dance Studio (VDS) is a family owned business that has been a part of the Zionsville & Whitestown community since 1977. In April 2018 we were informed that our current space received a grant to upgrade their facilities, which meant that we needed to find a new space. With a strong year behind us we knew it was time to expand into 3 studios and have been spending every moment since April preparing for this transition. While the entire process has been a tight turn around with every project expedited, we plan to open up by the end of September. Our biggest hurdle now is that final funding piece to allow our dancers to have this beautiful facility. Any donation or sponsorship is greatly appreciated and allows us to continue offering dance education for years to come!
